## Research Project Proposal

1.	Name			
2.	Father's Name			
3.	Mother's Name			
4.	Present Address : Village:			
	Postal Code:			
	Upazila:			
	District:			
	Country:			
	Email:			
	Telephone:			
	Cell			
5.	Permanent address - Village:			
	Upazila:			
	District:			
	Postal code:			
	Country:			
	Email:			
	Telephone:			
	Cell:			
6.	National ID No.			
7.	Passport No. (If any)			
8.	Date of birth			
9.	Blood Group			
10.	Marital status (tick)	Married		Not married
11.	Employed (tick)	Employed		Unemployed

12. Education [starting from SSC/Equivalent. Please attach attested photocopies of certificates]

Examinations	Year	Subjects	Grade obtained	Board/University
(a) Academic:				
(b) Training:				

13. Experience

Name & address of the organization	Post held	Nature of the organization	No. of years of experience	Remarks

14. Publications list

15. Title of the research:

--

16. **Proposal:**

A brief synopsis (3000-5000 words) prepared as per guidelines.

17. **Application fee** [Please give details of your payment of fee]

--

18. **Declaration**

I declare that the statements made in this application are true and complete to the best of my knowledge and belief. I accept the all conditions and any decision of the BAPARD authority about this research program.

Date: \_\_\_\_\_

Signature of the applicant

## **Guideline for Research Proposal**

**1 Title:**

The proposal should have a proposed research title.

**2 Introduction and Justification of the Research:**

The introduction should have a broad description of the proposed Research Work. This section also explains important concepts of the study.

**3 Objectives:**

The proposal must have the specific objectives.

**4 Literature review**

The proposal should have review of some important and related published works and analysis of the existing materials in the context of the current study. This section of the proposal establishes the rationale for undertaking the study in the background of work done on that theme or the logic of the originality of your research work and it also identifies the gaps in the knowledge and justifies the need for the present study.

**5 Experimental Design and Research methodology**

The proposal should have a paragraph on the Research Methodology what are proposed to use in the current research.

**6 Expected Outcomes**

This section directs implications of the research in the real world and policy developments.

**7 Detail Budget**

This section contain the details of all kind of material and non-material cost

**8 References**

Selected list of references used and proposed for the study should be mentioned (use more space if needed).

**9 Certification**

I/ We the undersigned, take the responsibility to implement the research programme as per plan effectively and sincerely to achieve the planned objectives.

**Signature of PI and Researchers**
